

The new Soul

Movement that inspires

Be inspired to
do things differently.

No more same old same old for you. With Soul, you get fun-to-drive performance and one-of-a-kind styling - featuring an eye-catching, new front-end look and new, available 18" alloy wheels. Drive inspired in the 2023 Kia Soul.

International model shown.

Wireless charging^{1,3}
keeps your smartphone charged while you're on the road.

Smart key with push-button start¹
lets you start your vehicle with your key in your pocket.

Stay connected and informed.

The modern cockpit has a clean, sleek design, intuitively placed controls, and the features you want to keep you comfortably in control.

10.25" multimedia interface^{1,4}
with integrated touch-screen navigation.

¹ Available feature. See features page or visit kia.ca for full details. International model shown.

A space to thrive in.

Soul is designed with the premium features to satisfy your high standards for comfort, fresh air, modern aesthetics, and, of course, plenty of room to stretch out and claim as your own.

Sound-reactive mood lights¹
pulse to the beat of your favourite music.

Power sunroof¹
for that wide-open, blue sky feeling.

¹ Available feature. See features page or visit kia.ca for full details. International model shown.

Be up for anything.

Soul has loads of space to make room for all your gear. It's not just the capacity that's welcoming - the space is so versatile and flexible, it easily adapts to whatever your agenda demands.

Easy cargo access

for up to 1,758 litres (62.1 cu. ft.) of cargo space.

Dual-level cargo floor

lets you adapt the cargo area to your needs.

60:40 split-folding rear seats

provide more versatility for passengers and cargo.

International model shown.

Safety covered from every angle.

Using the latest sensing and processing technology, the Soul helps you stay aware of your position on the road, and can even step in and prevent collisions.

Advanced forward collision avoidance assist with junction turning function^{1,2}

is designed to alert you of a potential collision with a vehicle or pedestrian, and can apply the brakes to reduce or avoid impact in a number of scenarios including when you are making a left turn at an intersection.

Blind-spot collision-avoidance assist^{1,2}

uses radar to detect vehicles in your blind spot and may apply braking power when an approaching vehicle is detected within a certain distance, next to or behind your vehicle.

Rear cross traffic alert and collision avoidance assist^{1,2}

uses radar sensors to monitor the area to the left and right, and warn or even actively apply the brakes if there's traffic approaching from either side.

Lane follow assist^{1,2}

uses a camera at the front windshield to detect lane markers on the road to help keep you in the centre of your lane.

¹ Available feature. See features page or visit kia.ca for full details. International model shown.

Endnotes

1. Available feature. See features page or visit kia.ca for full details. 2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving and are not a substitute for safe driving practices. Some features may have technological limitations. For additional information regarding the various features, including their limitations and restrictions, please refer to your vehicle's Owner's Manual. 3. Compatible smartphone required. Data rates may apply, please check with your wireless service provider. For wireless charging, certain smartphones may require a wireless charging-compatible case. 4. When equipped with the navigation system, French voice commands may be limited. 5. Kia Connect only available on select models and trims. Specific functionality may vary between models and trims. Destination Search is only available on vehicles with a navigation head unit. Certain functions are only accessible on the smartphone app and/or customer web portal and/or in-vehicle head unit. Service is free for the first three years from the day the vehicle was first registered. Monthly subscription may be applicable after the free period. Please consult your dealer for details. 6. SiriusXM satellite radio service includes 3 month trial and is available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. 7. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. 8. Apple, the Apple logo, CarPlay, and iPhone are trademarks of Apple Inc., registered in the US and other countries. App Store is a service mark of Apple Inc. 9. Google, Google Play, Google Maps, and Android Auto are trademarks of Google Inc. 10. Harman Kardon is a registered trademark of Harman International Industries, Inc. All rights reserved. 11. The Kia 5-year/100,000-km warranty includes various warranties and roadside assistance. Some restrictions apply. For more information call us at 1-877-542-2886 or visit to kia.ca.

We make every effort to ensure that the product information in this brochure is accurate at the time of printing. Occasional changes in production, that affect the standard or optional equipment included on a specific model, may occur after printing which will not be reflected in this brochure. Kia Canada Inc. reserves the right to make these changes without notice or obligation. For this reason, please rely on kia.ca or your local Kia dealer for the very latest product information.
