The 2023 **Seltos**

Movement that inspires

Built to do everything you do.

Explore your world with the trek-inspiring Seltos. With its bold exterior styling, available 1.6-litre turbocharged engine and available all-wheel drive, it's the subcompact SUV that moves with genuine confidence. Seltos - live for the real moments.

10.25" multimedia interface[1,4]
with integrated touch-screen navigation.

Heads-up display (HUD)[1]
subtly projects key driving information on a secondary screen above the steering wheel.

Optimized to keep you comfortably informed.

The modern cockpit has a clean, sleek design, intuitively placed controls, and the features you want to keep you comfortably in control.

7" TFT LCD supervision cluster[1]
provides you with vital driving info, while you stay focused on the road.

Wireless charging[1,3]
keeps your smartphone charged while you're on the road.

[1] Available feature. See features page or visit kia.ca for full details. International model shown.

Give yourself some space.

The modern cabin has an impressive amount of interior space for both passengers and cargo, while offering comfortable seating and tasteful appointments for everyone inside.

Automatic climate control[1]
lets you set your ideal cabin temperature.

Bose premium audio[1,10]
delivers crystal clear and balanced sound.

[1] Available feature. See features page or visit kia.ca for full details. International model shown.

Be up for anything.

With a versatile, intelligently crafted interior, Seltos is made to help you seek whatever adventures inspire you.

Easy cargo access
for up to 1,778 litres (62.8 cu. ft.) of cargo space.

Dual-level cargo floor
lets you adapt the cargo area to your needs.

Cargo cover[1]
helps to keep your belongings securely hidden from view, and is removable for added versatility.

Integrated roof rails
help you transport oversized cargo.

[1] Available feature. See features page or visit kia.ca for full details.

Help in a heartbeat.

Seltos employs a feature-rich array of next-level technologies to observe, sense, and even intervene when your driving safety is at risk.

Forward collision avoidance assist[1,2]
is designed to detect and alert you if a potential front collision is imminent, and can also automatically apply the brakes, if necessary.

Blind-spot collision-avoidance assist[1,2]
uses radar to detect vehicles in your blind spot and may apply braking power when an approaching vehicle is detected within a certain distance, next to or behind your vehicle.

Lane follow assist[1,2]
uses a camera at the front windshield to detect lane markers on the road to help keep you in the centre of your lane.

Rearview camera[2]
displays the rear view on your screen and grid lines help guide you when you put your vehicle in reverse.

[1] Available feature. See features page or visit kia.ca for full details.
