The 2023 **K5**

Movement that inspires

Master the sport of performance driving.

Performance is a look, a feel, a confident stance. It's in every move you make in the Kia K5. Available with road-hugging all-wheel drive, a choice of turbocharged engine options, and some of the segment's most advanced driving technologies, K5 embraces performance driving.

Heads-up display (HUD)[1]
lets you keep your eyes on the road by subtly projecting key driving information on the windshield.

Wireless charging[1,3]
keeps your smartphone charged while you're on the road.

Take command of every moment.

With an abundance of premium standard and available features, the driver-centric cockpit puts you in complete control.

10.25" multimedia interface[1,4]
with integrated touch-screen navigation.

[1] Available feature. See features page or visit kia.ca for full details. International model shown.

Find your sweet spot.

We crafted K5's cabin to be thoroughly comfortable, sporty, and filled with an impressive range of standard and available premium features. Combined with the latest in technology, K5 will indulge you with confidence.

Dual-zone automatic climate control
lets you set your ideal cabin temperature.

Bose premium audio[1,10]
delivers crystal clear and balanced sound.

[1] Available feature. See features page or visit kia.ca for full details. International model shown.

Go with confidence.

The confidence you gain with full-time all-wheel drive doesn't only help you through the worst Canadian weather and road conditions. It also gives you added grip when accelerating and increased stability while cornering.

All-wheel drive[1]
is designed to enhance traction and capability in less-than-ideal conditions.

Drive mode select
lets you choose between drive modes for precise handling and confident driving in any road conditions.

18 inch alloy wheels[1]
available on AWD models while 19 inch alloy wheels available on GT models.

[1] Available feature. See features page or visit kia.ca for full details. International model shown.

Safety covered from every angle.

Using the latest sensing and processing technology, the K5 helps you stay aware of your position on the road, and can even step in and prevent collisions.

Advanced forward collision avoidance assist with junction turning function[1,2]
is designed to alert you of a potential collision with a vehicle or pedestrian, and can apply the brakes to reduce or avoid impact in a number of scenarios including when you are making a left turn at an intersection.

Blind-spot collision-avoidance assist[2]
uses radar to detect vehicles in your blind spot and may apply braking power when an approaching vehicle is detected within a certain distance, next to or behind your vehicle.

Lane keeping assist[2]
detects your vehicle getting close to lane markers, and can apply corrective adjustments to help prevent you from drifting into another lane.

Lane follow assist[2]
uses a camera at the front windshield to detect lane markers on the road to help keep you in the centre of your lane.

[1] Available feature. See features page or visit kia.ca for full details.

Features

LX

EXTERIOR

- 16" alloy wheels
- Temporal spare tire
- LED headlights
- LED daytime running lights
- LED positioning lights

We've got you covered[12]

Kia engineers are passionate about producing vehicles that are exceptionally well-designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an outstanding warranty program.

5-year/ 100,000 km
Worry-free comprehensive warranty

5-year/ 100,000 km
Limited powertrain warranty

5-year/ unlimited km
24-hour roadside assistance

The Kia 5-year/100,000-km warranty includes various warranties and roadside assistance. Some restrictions apply. For more information call us at 1-877-542-2886 or visit to kia.ca.

Endnotes

1. Available feature. See features page or visit kia.ca for full details. 2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving and are not a substitute for safe driving practices. Some features may have technological limitations. For additional information regarding the various features, including their limitations and restrictions, please refer to your vehicle's Owner's Manual. 3. Compatible smartphone required. Data rates may apply, please check with your wireless service provider. For wireless charging, certain smartphones may require a wireless charging-compatible case. 4. When equipped with the navigation system, French voice commands may be limited. 5. Kia Connect only available on select models and trims. Specific functionality may vary between models and trims. Destination Search is only available on vehicles with a navigation head unit. Certain functions are only accessible on the smartphone app and/or customer web portal and/or in-vehicle head unit. Service is free for the first three years from the day the vehicle was first registered. Monthly subscription may be applicable after the free period. Please consult your dealer for details. 6. SiriusXM satellite radio service includes 3 month trial and is available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. 7. The Bluetooth word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. 8. Apple, the Apple logo, CarPlay, and iPhone are trademarks of Apple Inc., registered in the US and other countries. App Store is a service mark of Apple Inc. 9. Google, Google Play, Google Maps, and Android Auto are trademarks of Google Inc. 10. BOSE is a trademark of Bose Corporation. 11. HomeLink is a registered trademark of Johnson Controls, Inc. 12. The Kia 5-year/100,000-km warranty includes various warranties and roadside assistance. Some restrictions apply. For more information call us at 1-877-542-2886 or visit to kia.ca.

We make every effort to ensure that the product information in this brochure is accurate at the time of printing. Occasional changes in production, that affect the standard or optional equipment included on a specific model, may occur after printing which will not be reflected in this brochure. Kia Canada Inc. reserves the right to make these changes without notice or obligation. For this reason, please rely on kia.ca or your local Kia dealer for the very latest product information.
